Canadian Fiddler Ad Rates & Submission Guidelines

Event Listings: Is a free service, it will include your event name, dates, location, a phone number and a website address only. Once submitted, it will remain in the events listings section of the newsletter or website until the month of the event.

Articles: All articles, photos and announcements are welcome and are free to include with each issue. We are particularly looking for what is happening in your area such as competitions, contest results, festivals and other events and articles about interesting fiddlers.

To submit materials, please send us the following:

- * **Half-page or full-page article** (Word, excel, .pdf)
- * **Include a credit for the article** (Author or Contributor)
- * **When submitting photos, please provide:**
 - High resolution B/W or colour image (300 dpi resolution or higher)
 - Most formats accepted: .jpeg, .tif, .pdf, .eps (electronic or hardcopy)
 - Will be published in colour, unless otherwise specified.
 - Include a credit for each photo (i.e. Photographer's name or person giving permission to use photo.

Advertising in the newsletter: Ads can be full, half, quarter or business card size and are designed by the advertiser. These ads must be print ready (see requirements below). Ads can include art work, logos and full information.

All payments must be paid in full to ensure that your advertisement is placed into the desired publication(s).

Custom Artwork and/or Graphics by the CGMFA Editor is an additional \$25 charge.

When submitting print-ready materials, please provide:

- High resolution B/W or colour image (300 dpi resolution or higher)
- Most formats accepted: .jpeg, .tif, .pdf, .eps (electronic or hardcopy)
- Will be published in colour, unless otherwise specified.
